**Diplomat, American Board of Psychiatry & Neurology, PSYCHIATRY, 1963;**

**Diplomat, American Board of Forensic Psychiatry, FORENSIC PSYCHIATRY, 1980;**

**Fellow of the American Psychiatric Association, 1983;**

**Life Fellow of the American Psychiatric Association, 1996;**

**Distinguished Life Fellow of the American Psychiatric Association, 2003.**

**Member of the Central California Psychiatric Society; Member of the American Psychiatric Association since 1961; Member of the American College of Forensic Psychiatry since 1980; Member of the Advisory Board of the American College of Forensic Psychiatry since 1990; Member of the International Academy for Law and Mental Health and Member of the International Association for Forensic Psychotherapy; Certified as an Expert Reviewer for the Medical Board of California in 1996.**

**Present full-time psychiatric practice limited to the practice of Forensic Psychiatry (Civil and Criminal).**

**Qualified as an expert witness 1960 through 2008 in Fresno, Stanislaus, San Joaquin, Contra Costa, Sacramento, Humboldt, Calaveras, Amador, Tuolumne, Orange, Santa Clara, Butte, San Francisco, Modoc and San Bernardino Counties.**

**In my forensic psychiatric practice, I address criminal issues of competency to stand trial, legal sanity, evaluation of sex offenders as to the level of dangerousness, risk of re-offending and treatment needs; civil issues of personal injury, child custody, workers' compensation, competency and conservatorship. I have had extensive experience in conducting disability determinations for the Social Security Administration, for private attorneys representing claimants at appeal hearings and for private insurance short-term and long-term disability plans. I have also functioned as a medical witness at Social Security appeal hearings held before administrative law judges in the Sacramento-Stockton- Modesto area. For several years I have also provided second-opinion psychiatric evaluations for the State of California Employment Development Department.**
